Be a Part of Your Student's Journey To School. From School. Every Day.

Introducing FirstView® by First Student, the industry's most comprehensive and secure bus tracking and parent communication app. FirstView® helps you better manage your time during the hectic before- and after-school rush by putting your student's up-to-the-minute bus information in your hands. Easy to download, set up and use, FirstView® is packed with helpful features to give you peace of mind.

District Notifications

You'll be the first to know about school delays by opting in to receive district messages regarding school issues.

Immediate Bus Information

No need to make phone calls. With FirstView®, you can track your student's bus and get route status updates for the stop(s) you're following. You'll also see when your student's bus arrives to and departs from school.

Customizable Alerts

You and your student can avoid a mad dash bot the bus stop by setting up custom alerts for when they bus is near.

Safe & Secure

FirstView® is password protected and integrates with your district's existing safety standards.

Built-In Customer Support

Have a question? We have a timely answer! The dedicated FirstView® customer support team is available Monday through Friday via call or click.
